

PayItForward,
Philadelphia.

Do some good.
Pass it on.

LEADERSHIP, Inc. started ***Pay It Forward, Philadelphia*** to challenge people to do acts of service and compassion without the expectation of personal reward. Based on Catherine Ryan Hyde's book, *Pay It Forward*, and the movie of the same name, we're asking people to pay favors forward, not back. Let's turn *The City That Loves You Back* into ***The City That Loves You Forward***. Please send your stories to our website.
